

2010 Softball Season

On behalf of the Milliken #1 Softball Association executive, we wish to welcome everyone to another great season of softball.

This year we also wish to inform you that all the players and executive members of **the Brimley Forest Softball Association** will be joining Milliken. In these tough economic times we must all pull together to keep our game alive in our communities, so please come out and volunteer.

Dates to Remember:	
March 10	Registration
April 17	Player Evaluation
April 18	Player Evaluation (Rain Date)
May 3:	Season Begins
June 5:	Opening Day

Although our House League numbers were down, we were still very competitive and all of the players should be congratulated for taking part to make us a viable Softball Association.

Our Select teams in 2009 played a few tournaments throughout the Scarborough and surrounding areas. Our kids are learning the rules of the game and sportsmanship which in turn will be a valuable asset to them out there in the real world. Special thanks to all the Parents, Coaches and assistants for helping us to do what's needed so that our House League players get better and learn to have more fun.

Our House League program is the backbone of our association and enables us to develop strong players and coaches with the knowledge of the game, to enable us to get great results in the Interlock and Select programs. This can only continue with your help. We need all of you to become ambassadors of the game and invite your friends, relatives, and neighbours to come down and join us for the 2008 season.

Every year our numbers drop and to be able to provide the level of play we have provided in the past, we need new players and coaches, especially in our House League program. Without a new resurgent of young players the future of our association will be in jeopardy.

We all want to be there for our community and to continue to provide a safe and healthy environment for your children to develop and have fun. With your help we can achieve this and continue to do so for the coming years.

In closing, congratulations to all of you for your efforts and successes in the 2009 season. Let's all make our 2010 season even better. First thing you can do to help us achieve this goal is the register on time and bring a friend.

Hope you have a great season. Let's play ball!

Colin Lee Pack, President
Milliken #1 Softball Association

3. Register by Mail
 Send your completed form to:

The Registrar
MILLIKEN #1 SOFTBALL ASSOCIATION
 c/o 63 Grenbeck Drive
 Scarborough, ON M1V 2H5

The Milliken #1 Softball Association is operated solely by parent and student volunteers. We encourage you to actively participate. Please come out and cheer your child on!!

Children should arrive on the field, in full uniform, with their glove and hat, by 6:00 on their scheduled game days. The coach will advise practice times. Please advise him/her, one week in advance, if your child will be away.

Volunteer conveners are on the field each game night, wearing

a black golf-style shirt with the Milliken logo on it. They are responsible for the distribution of League information flyers, schedules and uniforms; recording scores and team standings; and are the first line of contact should you have any concerns.

If you would like to volunteer to help out in any way, please contact Colin Lee Pack @ 647-292-6885 or Darren McEwan @ 416-805-4028.

Remember to check out our new online home at www.milliken1softball.com for more information about this season.
